

CHRIST OF THE HILLS CHURCH COVID-19 POLICY

As a response to the 2020 COVID-19 pandemic, we at Christ of the Hills Church have made the decision to offer Worship and Bible Study for adults in two alternative formats, “In the Room”(in person) or on “Zoom” (See link below). We ask our members and visitors to stay at home on Sundays and participate on Zoom, if they are experiencing symptoms such as fever, headaches or cough or simply don’t feel well. For in-church attendance, we observe distancing to the extent practicable. Facemasks are optional. The only refreshments provided are self-serve coffee, hot tea, and bottled water. Communion elements are served in completely sealed plastic containers.
